

When you make a contribution to the 1868 Foundation, you are saying you take pride in your Nebraska State Fair. Take a look around the fairgrounds and you will notice the impact donors of the 1868 Foundation have had on our new home. Contributions to the 1868 Foundation in 2010 alone, helped us to provide nearly \$62,000 worth of improvements to the grounds! We will continue to raise funds to provide amenities for the State Fair and hope that you will continue moving forward with us!

Through the Nebraska State Fair 1868 Foundation, you can establish your very own legacy with the State Fair by providing funding for additional seating, lighting, trees or other landscaping features!

Help us celebrate the integrity, history and traditions your State Fair was built upon by becoming a member of the Nebraska State Fair 1868 Foundation today!

The 1868 Foundation works very hard to generate funds for improvements, events and programming celebrating your Nebraska State Fair. Please join us in supporting the future of your Nebraska State Fair by making a charitable contribution today!

Your support will make a difference!
