WELCOME!

The Nebraska State Fair Board welcomes you to your 140th Nebraska State Fair and encourages your participation in the 2009 competitions.

The State Fair management team looks forward to hosting you and your exhibits at your Nebraska State Fair Park while you enjoy your stay in Lincoln.

AUXILIARY VEHICLES

Auxiliary vehicles, such as golf carts, service carts, and other four wheelers, will require a permit for operation in State Fair Park, including parking areas and perimeter streets. This permit is available from the State Fair Ticket Office before the Fair, or at the Grandstand Ticket Office during move-in and during the Fair, for a fee of \$100 for the term; \$125 for a four-wheeler for the term. Any person who purchases a permit will be required to sign and abide by the Nebraska State Fair Auxiliary Vehicle Rules and Regulations and **must provide proof of insurance for the vehicle**. Auxiliary vehicles without a permit will not be allowed in the Park at any time during the Fair. Carts will **NOT** be allowed in the Core Area after 9:30 a.m. any day. A map showing the route for auxiliary vehicles will be provided upon payment and signature for a permit. Some carts may be denied a permit based on size (no auxiliary vehicles over 52" will be allowed).

CERTIFICATE OF INSURANCE REQUIRED: All parties utilizing their own golf carts or ATV's must provide a "Certificate of Insurance" evidencing liability insurance on the golf cart or ATV with a liability limit of no less than \$300,000 for injuries to others or damage to the property of others. The **NEBRASKA STATE FAIR BOARD** needs to be shown as an **ADDITIONAL INSURED** on the Certificate of Insurance, and this Certificate of Insurance must be presented to the Nebraska State Fair Ticket Office before a permit to operate the golf cart or ATV can be issued.

AWARDS

Where there are fewer entries in a class than the number of premiums offered, the judges may, at their discretion, award a prize or prizes of such grade as the exhibit merits. Unworthy exhibit: judges shall not award a prize to an unworthy exhibit. It is the intention of Fair management that no premium or distinction of any kind shall be given to any exhibit that is not deserving.

An individual exhibitor may enter unlimited animals in any individual class but shall not be awarded more than two premiums from the individual class. Where there is but one exhibitor in a class, there will be only one premium awarded. Provided there are competing exhibitors (two or more) in a class, all placings and premiums may be awarded, except as noted in special department policies.

Payment of awards will be made within sixty (60) days after the last day of the Fair. **NO AWARD CHECK WILL BE ISSUED BY THE NEBRASKA STATE FAIR FOR LESS THAN \$2.00.**

The Nebraska State Fair will not be held liable for any award or premium offered by an individual or company, separate from the Nebraska State Fair, should that individual or company fail to provide the offered award or premium.

Not all departments will award all ribbon places.

CAMPGROUND

All campers are required to stop at the Campground office, pay the camping charges in advance, and receive a lot location assignment. Upon payment of camping charges, campground stickers will be furnished for cars. All vehicles without a sticker will be required to pay \$3 per night for camping. The Campground area is fenced with a permanent fence, and a Campground Manager is on duty at all times. The Manager will assign camping locations and will maintain a Campground directory.

CAMPGROUND FEES (PER DAY)

Campers & Trailers (full hook-up – all services & pad parking)	\$20
Electric & water service only.....	\$18
Tent Space or Self-contained (no services)	\$15
Autos (without trailers/campers).....	\$ 3
Additional persons over 12 years of age (2 persons included with one night camping fee)	\$ 1

All campers must leave the camping area by 3 p.m., or they will be charged an additional day at the regular daily rate.

Gate admission tickets to State Fair Park must be purchased each day at the Campground Office (see "Ticket Policy" for admission prices). Advance sale tickets are exchangeable.

Free bus service will be available to and from the Campground. The bus will begin the route at 7:30 a.m. each day and will run every ½-hour until 10 p.m. The only boarding place for returning to the Campground is at the west side of the State Fair Cafe.

CLASSIFICATIONS

No new livestock classifications shall be considered for the Entry Information & Award Book or for competition until such livestock classification has had a bona fide national association in existence at least five (5) years, a bona fide state association at least three (3) years, and a guarantee of five (5) or more exhibitors to show in proposed classification. Beef classifications are limited to five (5) years of split classes divided purebred and percentage cattle, except classifications that have 160 animals or more entered may continue with split classes.

Livestock classifications that have less than five (5) exhibitors and thirty (30) head exhibited for two (2) consecutive years will be put on probation, and the state breed association will be informed in writing. If less than five (5) exhibitors and thirty (30) head are exhibited the following year, the breed will lose its classification at the Nebraska State Fair.

ENTRY REQUIREMENTS

All entries must be filed with the Superintendent no later than the date and time specified in the Entry Information & Award Book. All entries must be made on Nebraska State Fair entry forms (photo copies are acceptable), which may be obtained free from this website or the Entries Office, or made online.

Anything that has been erroneously entered may, at the discretion of the Superintendent of the department, be transferred to the proper class. If such classes have been judged, they shall not be re-judged.

No person, other than those in authority, will be allowed to see the entries or have access to the entry forms until such time as the entries shall have closed.

Should any individual enter an animal or article in a name other than that of a bona fide owner or attempt to perpetuate a fraud by misrepresenting any fact, the entry thus made shall not be allowed to compete for or receive any award, and the owner shall be barred from this show until reinstated.

When not otherwise stipulated, entries and competition are open to the public. No animal or article will be considered unless provided for in the Entry Information & Award Book.

In the Beef, Dairy Cattle/Goat, Llama, Sheep, and Swine Departments, each animal's name, registration number, and date of birth must be recorded on the entry form.

All entries shown shall be the property of the exhibitor, and in the livestock classes, the animals shown shall have been the property of the exhibitor at least thirty (30) days prior to the opening of the Fair and must show the same on the records of the breed association in which they are recorded.

In the livestock departments, registration papers or a certificate of ownership must be available for inspection before animals are shown. In case of inability to get animals recorded before the time limit, a certified copy of the animal's pedigree on a regular breed application blank must be sent with the entries. This certificate of application is to be signed by both parties of the transaction and must conform with breed association records.

In case of dispute as to the age of an animal exhibited, its certificate of registry shall be required for evidence of its age, and its owner shall be required to file an affidavit that it is the identical animal therein described.

Animals owned in partnership may be entered in all classes of the Fair in one owner's name. The entry shall carry a footnote showing the actual ownership of the animals as appearing upon the herd book records. FFA and 4-H Open Class entries must be made directly to the State Fair Office on an Open Class Entry Form before the Open Class entry closing date. A separate entry form must be completed for each breed or department, and all entries and entry fees shall be according to Open Class rules and regulations.

FEED / BEDDING

The Feed/Bedding Department is under the direct management of the State Fair, with a lessee in charge. The selling price is based on cost plus expense of handling. Feed will be sold for cash only. Since the space in the barns is for exhibition purposes and not for storage of feed, exhibitors will be permitted to bring into the Park a limited amount of feed, hay, or straw. If you would like to make feed and bedding arrangements prior to the Fair, please contact Great Plains Feed & Hay Company at 402-430-0966.

GENERAL RULES

The Nebraska State Fair management reserves to its Board of Directors the final and absolute right to interpret these rules and regulations and to settle and determine all matters, questions, and differences in regard thereto or otherwise arising out of, connected with, or incident to the Fair.

While the greatest possible care will be exercised by the management to provide a safe environment, we are not responsible for any personal injury.

The Nebraska State Fair management assumes no liability for loss or damage to any property of the concessionaire, exhibitor, or patron due to theft, fire, tornado, weather conditions, or other causes.

To safeguard exhibitors and livestock it is necessary to prohibit smoking in the barns. We ask all exhibitors and guests to cooperate with us in enforcing this rule.

By order of the State Fire Marshal, the use of flammable and combustible grooming sprays inside the barns is strictly forbidden. These types of materials must be used outside of the buildings only.

All exhibitors are bound by the most current edition of Nebraska State Fair Park's Space Rental Rules and Regulations. A copy may be obtained in the Administration Office at State Fair Park. For purposes of these rules and regulations, all exhibitors are considered to be lessees.

To remove stock or other articles on exhibit before the time of release, written permission must be obtained from the department Superintendent. In the event of conflict of general and special rules, the latter will govern.

All Open Class Beef Cattle (except Texas Longhorns), Dairy Cattle, and Dairy Goats shall enter through the 14th Street gate. All Open Class Angora Goats, Llamas/Alpacas, Meat Goats, Poultry/Pigeons, Sheep, Swine, and Texas Longhorns shall enter through the 27th Street gate. CVI's will be required to be presented at the gates prior to entering the Fairgrounds. Representatives of the State Veterinarian's Office will be in attendance to verify the CVI's. Livestock Superintendents will collect the CVI's, and a representative of the Bureau of Animal Industry will examine the CVI at the Superintendent's office.

The Nebraska State Fair will impose all rules of the *IAFE National Code of Show Ring Ethics* as outlined below. Any violation of the *Code of Show Ring Ethics* will result in forfeiture of all premiums, awards, and auction proceeds. Any owner, exhibitor, fitter, trainer, or absolutely responsible persons found to have violated the *Code of Show Ring Ethics* shall be prohibited from future exhibition at the Nebraska State Fair.

INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS (IAFE) NATIONAL CODE OF SHOW RING ETHICS
--

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations, which they impose on the local, county, state, provincial, and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain, shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation transfer to the laboratory and analysis of the sample are correct and accurate, and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair, or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair, and livestock show management or other show officials shall be treated with courtesy, cooperation, and respect; and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expositions* and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

PLEASE SIGN THE "EXHIBITOR ENTRY STATEMENT" FOUND ON THE ENTRY FORM, OR INDICATE DURING ON-LINE ENTRY, THAT YOU HAVE READ THIS CODE OF ETHICS.
