Where there are fewer entries in a class than the number of premiums offered, the judges may, at their discretion, award a prize or prizes of such grade as the exhibit merits. Unworthy exhibit: judges shall not award a prize to an unworthy exhibit. It is the intention of the Fair Management that no premium or distinction of any kind shall be given to any exhibit that is not deserving. An individual exhibitor may enter unlimited animals in any individual class but shall not be awarded more than two (2) premiums from the individual class. Where there is

but one exhibitor in a class, there will be only one premium awarded. Provided there are competing exhibitors (two or more) in a class, all placings and premiums may be awarded, except as noted in special department policies.

Not all departments will award all ribbon places.
 - c. **No 4-H or FFA award money or premiums will be sent to the exhibitor for market animals until they have cleared drug testing protocol, DNA verification or until harvested animal carcasses have been cleared.**
 - d. **It is the intention of Fair Management that no premium or distinction of any kind be given to any exhibit deemed unworthy by the judge, or any exhibitor who has conducted herself or himself in a manner inconsistent with the goals and values of the Fair. Such conduct may include, but not be limited to, theft of fair property, crude or crass behavior toward fair personnel, exhibitors, judges or spectators, or other actions amounting to moral turpitude on the part of the exhibitor or otherwise inconsistent with the spirit of fair competition.**
 - e. **The Nebraska State Fair is required to report payments of \$600 or more to the Internal Revenue Service. - 20. JUDGES / JUDGING:** All judges' decisions are final. No person shall be permitted to judge a class in which he/she may be competing for an award or have an ownership of any animal or article entered in such class. Judges are earnestly requested to familiarize themselves with the Rules & Regulations of this show. If any exhibitor interferes with the judges in the performance of their duties by letter, act, or otherwise, he/she shall be excused from competition and exhibition for such period of time as Management may determine and shall forfeit any awards received at this Fair. Any person, not an exhibitor, who interferes with the judges in any manner during the performance of their duties, shall be asked to leave the judging arena. When there are three (3) judges making a placing, the decision of two (2) shall be conclusive.
- 21. INHUMANE TREATMENT OF ANIMALS:** The Nebraska State Fair is committed to the humane treatment of all animals exhibited at the Fair. Animal care procedures are outlined in our "Animal Welfare Policy".
- 22. TREATMENT OF SICK MARKET ANIMALS:** If an animal requires emergency treatment while on the State Fairgrounds, only the Official State Fair Veterinarian will be allowed to administer any drug, chemical or feed additive to that sick animal. Animals which are administered treatments having a reported withdrawal and/or elimination time period beyond the show date will be ineligible from market competition. Furthermore, the Official State Fair Veterinarian, in agreement with Nebraska State Fair Management, reserves the right

to treat any animal if, in the opinion of the Official State Fair Veterinarian it is in the best interest of the animal's health and well-being. If the Official State Fair Veterinarian administers treatment to an animal, using any medication that does not meet the appropriate withdrawal and/or elimination time, that animal shall be determined ineligible for competition. Any exhibitor violating this rule will be subject to sanctions by the Nebraska State Fair.

Any use of artificial color (paint) or dye meant to alter or misrepresent breed characteristics and/or enhance the conformation of any swine, sheep, or goats will be prohibited. All 4-H and FFA sheep and goats must be slick shorn with no wool above hocks and knees prior to entering showing. Artificial color (paint) will be allowed on cattle, but any attempt to change the original color and/or markings of the animal will be prohibited. Prohibited practices also include the use of artificial tailheads, switches, polls and hair as well as any internal or external hoof treatments or artificial substances meant to improve soundness; external applications of such things as liniments and

blistering agents that would cause edematous condition; use of ice packs or other refrigerants to alter the quality of the finish of an animal. No clipping or hoof treatments of Market Swine will be allowed.

- b. **UNAPPROVED DRUG USE:** The showing of any animal that has been administered, or upon harvest or testing, shows any quantity of any unapproved drug, chemical or medication, is strictly prohibited. Such drugs include, but are not limited to any diuretic, unapproved growth stimulant or any other unapproved medication. Unapproved means not approved by the FDA and/or USDA for animals to be harvested, including animals that may be destined for human consumption.

Violation of any applicable rule or regulation may result in exhibitor sanctions. Sanctions may include, but not be limited to disqualification, withholding of premium money, withholding of payment for any animal carcass, assessment of carcass disposal fees, and exclusion from future participation at the Nebraska State Fair. Additionally, rule violations may be referred to law enforcement authorities when appropriate. The exhibitor will be notified of any sanction by the State Fair within 60 days of the end of the Fair. An exhibitor may appeal the findings to the Nebraska State Fair Management Team. The determination of the State Fair as to any sanction shall be final, without recourse against the State Fair. If deemed necessary by the Nebraska State Fair, an exhibitor found in violation of any show rules may be subject to have his/her name and the result of the violation submitted to the Rule Infraction Database (RID) administered by the NALSRMA. The exhibitor acknowledges that this information will be available to the membership of the NALSRMA. The State Fair reserves the right to refuse the entry of any exhibitor who has been barred from any other show on the basis of rule violation or unethical practices. Any exhibitor who has been disqualified from competition in any major show, or has had sanctions or disciplinary action taken against him or her, may not be eligible to make entry or compete, or having competed, may not be eligible to win a premium.

- a. Animals must be in good health and carcasses free of drug or chemical residues.
 - b. Antibiotics and sulfonamides have required withdrawal periods.

 - c. Failure to comply with this provision in a timely manner shall be grounds for immediate dismissal from continued participation in the Fair and the forfeiture of all entry fees, charges, ribbons, championships and premiums awarded.
 - d. Any and all persons participating in any and all events covered by this Premium Book are responsible for performing all steps necessary to assure that any fans, extension cords and other electrical devices are in good repair and free of dangerous conditions or defects. Pursuant to the provision of this Premium Book the Fair may, but has no duty to do so, determine if any fan, extension cord or other electrical device meets these requirements established in this portion of this Premium Book.
- 32. SHOW BACK NUMBERS:** Each animal entered in the Nebraska State Fair Open Class Division will be assigned a number. Those numbers will be given to each exhibitor as a back number at the time of check-in. It is the exhibitor's responsibility to have the correct back number displayed on their back or in a holder attached to the waist before entering the show ring. If the back number does not correspond with the original entry on the official judge's sheet, the result may be disqualification of that animal. **Please refer to 4-H/FFA General Rules & Regulations for specific rules.**
- 33. WATER:** A water container, with water, must be visible and available for watering on a regular basis in each penned/stalled area at all times. Nebraska State Fair Management Team reserves the right, at its sole discretion, to contact a Nebraska State Fair veterinarian to determine if water should be given.

Such written protests must state plainly the cause of complaint or appeal and must be filed with the State Fair Livestock Manager immediately upon the occasion of the protest. No complaint or appeal based solely upon the statement that a judge is incompetent will be considered. This complaint, along with supporting documents, will be submitted to the Ag Director and Executive Director. The report of wrongdoing will then be presented to the Nebraska State Fair Agriculture Committee for review. The panel shall review the form, the allegations, and the supporting documents or evidence and report its findings and proposed decision to the Ag Director and the Executive Director. At no time will any exhibition, judging event, or any other ongoing event be delayed, stopped, or interrupted as a result of any allegation of wrongdoing. Any decision rendered by the Ag Director and Executive Director based upon the review and proposed decision of the Agriculture Committee shall be the final decision.
- 36. STATE FIRE MARSHAL:** Any and all lighting used by exhibitors must be securely fastened. The electrical boxes in the barns **MUST** be kept clear at all times. Also, the aisles must be maintained at all times in the Cattle Barn. Yellow lines are painted on the floor designating these boundaries. **ALL** show equipment, blocking chutes, chairs, etc., **MUST** be kept within these boundaries at all times.

EXHIBITOR LIABILITY:** Exhibitors of livestock must exercise due discretion in regard to the animals they are exhibiting, whether in the ring, stall or pen and exhibitor must assume responsibility for any damages caused by or to their animals. The exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from any animal or article exhibited by him/her and for its description as given in the Premium Book. Exhibitor shall indemnify the Nebraska State Fair against all legal or other proceedings in regard thereto, as well as any damage or injury to any other person or property, caused by the exhibitor or any of the animals exhibited with the Fair.

40. ADDITIONAL 4-H & FFA GENERAL RULES & REGULATIONS

INTERPRETATION OF RULES:** The FFA and 4-H divisions will refer the Nebraska State Fair Management Team (Ag Director, Executive Director, Chair of the Ag Committee, FFA Livestock Superintendent, and 4-H Program Leader) for the final and absolute right to interpret, determine and settle all matters, questions and differences in regard to or otherwise arising out of, connected with or incident to the fair.
- c. ENTRY DEADLINES & REQUIREMENTS:** All applications for entry must be made online at www.statefair.org. All FFA and 4-H advance entries must be made through the State Fair website by 8:00 pm on August 10. Advance entries include: livestock, dogs, poultry, rabbits, and livestock contests. - d. ELIGIBILITY OF EXHIBITORS: 4-H** — Exhibitor must be a 4-H member enrolled in the project they are exhibiting in the county which he/she represents. Youth must be enrolled in 4-H by June 15 of the current year. In classes where presence of the 4-H'er is required for judging purposes, such as animal exhibits and judging contests, a 4-H member must be 10 years of age before January 1 of the current year. The last year of eligibility is the calendar year in which the member becomes 19 years of age.

FFA — Only bona fide Nebraska FFA members that have paid dues shall be eligible for FFA Division entries. The age eligibility requirements set by the Nebraska FFA Association will be followed. Those can be found at https://neaged.org/ffa_events/ffa-state-fair/. There will be no discrimination because of race, color, sex, religion, or national origin.

- e. **ELIGIBILITY OF ANIMALS:** Qualified animals for a 4-H or FFA class at the State Fair must be registered purebred or non-registered commercial breeding animals, market beef, feeder calves, market lambs, market goats, market swine and those exotic breeds of breeding beef where the respective associations issue certified papers. A breeding animal to be eligible for show in a registered (purebred) class must be owned by the exhibitor by June 15 of the current year and be registered by the official breed association. The registration paper or certificate must indicate one of the following (1) the name of the exhibitor (2) the name of the exhibitor and/or a co-owner who is an immediate member of the exhibitor's family (members of a household, including parents, brothers and sisters, and youth in care of the head of the household) or (3) the family or ranch name or parent's name. Copies of the registration paper or certificate must be submitted with State Fair entries; original registration papers or certificates must be presented at check-in. **REGISTRATION MUST BE COMPLETED BY FAIR DATE.** Any animal that is disqualified from the State Fair for any reason is not eligible to be used in showmanship or any other 4-H or FFA contest while at the State Fair.

Any FFA or 4-H project animal that has been offered for auction, where the intent of the auction is change of ownership, is ineligible for the 4-H and FFA livestock classes at the Nebraska State Fair. This includes animals offered for sale in other events at the Nebraska State Fair, when the event is prior to the FFA and 4-H event the animal is entered in. A project animal that has been through a “premium only” auction is eligible to be exhibited at the Nebraska State Fair, provided it and its exhibitor meet all other ownership and eligibility requirements. A “premium only” auction is defined as an event in which change of ownership is never the intent; but the intent is only to provide a monetary premium to accompany the ribbon earned by the exhibit.

- f. **4-H/FFA EXHIBITS:** Training offered by agricultural education/FFA and Extension/4-H contribute to youth’s preparation for a future in agricultural production, agribusiness and other areas. Simultaneous participation in both programs is acceptable and encouraged, if students choose to do so.

For purposes of exhibition, an animal can be nominated for the state fair in both organizations but only shown in one organization or the other, not both. Exhibitors must submit proper nomination material by the appropriate date by June 15. Refer to the [Nebraska 4-H website](#) and [Nebraska FFA website](#) for additional information regarding identification requirements.

- g. **OWNERSHIP OF ANIMALS, RABBITS & POULTRY:** All animals, rabbits and poultry in the FFA and 4-H Shows must be owned by the exhibitor. Ownership of animals must be certified where required on the appropriate DNA and online nomination submission in the Show Stock Manager website. Extension offices and FFA advisors will subsequently send DNA samples to the Aksarben Stock Show office. All market animals (beef, sheep, swine & meat goats) must have a hair sample for DNA testing on file at the Aksarben Stock Show by June 15 in order to be exhibited at the State Fair. All animals must be nominated online in Show Stock Manager by June 15.

In the case of dairy animals, some lease arrangements are acceptable, but must be certified on the ownership affidavit in the State 4-H Office. Both 4-H and FFA dairy affidavits are to be sent to the State 4-H Office by June 23.

- h. **SHOWMAN SUBSTITUTIONS:** An animal must be shown by the FFA or 4-H owner who entered it unless the exhibitor is excused by the Division Superintendent

because of serious illness, disability due to an injury (e.g. broken arm or leg) or conflict with other livestock classes in a 4-H or FFA show. An exhibitor who has more than one animal in a class need not secure approval for another FFA or 4-H member, eligible to exhibit livestock, to show the additional animal in the class. A substitute exhibitor for an FFA animal can only be another FFA exhibitor at the current State Fair, and a substitute exhibitor for a 4-H animal can only be another 4-H exhibitor at the current State Fair. All substitute showmen should wear an exhibitor number identifying him/her as a substitute showman (available in the Livestock Office and/or from species superintendent).

- i. **PREMIUMS:** Payment of awards will be made as soon as possible after the last day of the Fair and within sixty (60) days. **NO AWARD CHECK WILL BE ISSUED BY THE NEBRASKA STATE FAIR FOR LESS THAN \$2.00.** Any discrepancies in the amounts of premium checks must be called to our attention before November 1. Special premiums or prizes may be listed in the Premium Book. The Nebraska State Fair will not be held liable for any award or premium offered by an individual or company, separate from the Nebraska State Fair, should that individual or company fail to provide the offered award or premium. Not all departments will award all ribbon places.

No 4-H or FFA award money or premiums will be sent to the exhibitor for market animals until they have cleared drug testing protocol, DNA verification or until harvested animal carcasses have been cleared.

The Nebraska State Fair is required to report payments of \$600 or more to the Internal Revenue Service. Any exhibitor receiving \$600 or more will be required to provide the Nebraska State Fair with a completed IRS Form W-9 providing a taxpayer identification number. NO CHECK WILL BE ISSUED UNTIL A COMPLETED W-9 FORM IS IN THE LIVESTOCK OFFICE.

- j. **NO WITHDRAWALS:** Animals selected as division champions and reserve champions cannot be withdrawn from the grand champion drive. Violation of this rule may result in disqualification and exhibitor may be barred from future participation at the Nebraska State Fair.
- k. **BACK TAGS:** Each 4-H and FFA exhibitor will have their own unique number printed on a back tag. Exhibitors must have this number on their back while exhibiting animals.
- l. **YOUTH FOR THE QUALITY CARE OF ANIMALS:** All youth enrolled in livestock projects must complete annual quality assurance training through Youth for the Quality Care of Animals (YQCA) or testing through a Nebraska Extension program or high school agriculture education program prior to the fair. Program attendance or completion of a test in the county extension office is required. Completion of training will be certified by an FFA advisor or county extension staff.
- m. **HEALTH REQUIREMENTS:** All 4-H/FFA Livestock must meet the Nebraska State Fair Health Requirements (see Health Requirements section). All livestock are subject to examination, upon arrival, for evidence of infectious or contagious diseases and if such is found, they will not be allowed entrance onto the grounds. They will be held in quarantine and treated at owner's expense or sent home. Diseased or injured animals may be removed from the grounds upon recommendation of attending veterinarian and release signed by the Department Superintendent and the Director of Livestock Division. Additionally, all 4-H/FFA sheep/goats may be checked for club lamb fungus at any time of the fair. Any decision by the State Fair inspectors is final.
- n. **GROOMING OF LIVESTOCK:** Preparation and grooming of an animal should be the primary responsibility of the State Fair exhibitor; however, assistance may be provided by other State Fair 4-H or FFA exhibitors, immediate family members or another person acting in a mentoring and teaching capacity. The intent of this policy

is to promote and foster positive youth development and a high-quality learning experience which are core values of 4-H and FFA.

- i. **All 4-H livestock shows** will be Blow and Go; animals may be clipped, blown and brushed or combed to enhance their appearance. All animals will be shown free of any adhesive, glue, paint, or powder products. Any compounds that have adhesive qualities that when applied cannot be combed or brushed through or alter the color of the animal are forbidden. Alcohol, water, oil, foam or any water or alcohol-based products with no adhesives or glue qualities, or artificial colorings are permitted. Any animal found to have prohibited products applied (adhesive, glue, paint, or powder products) will be disqualified from competition. Any premiums (physical or monetary) will be forfeited, and no refunds will be made.
All animals will be subject to visual inspection and/or toweling for the presence of adhesive, glue, paint, or powder products. A toweling inspection will be incorporated for all 1st and 2nd place class winners (showmanship, breeding, market). The 3rd place class winner may be requested back if the 1st or 2nd place class winner do not pass inspection. All animals entering the Final Drive will be subject to a toweling inspection before entering the show ring. Toweling of the animal may include but is not limited to the topline, legs, chest, belly, flank, and cod/udder areas. If, after inspection, the animal is found to have adhesive, glue, paint, or powder products applied it will be disqualified from competition. Any premiums (physical or monetary) will be forfeited, and no refunds will be made.
- ii. **All FFA livestock shows** will allow fitting of animals with adhesives, glues, paints and powdered products. However, any fitting practices that would violate the unethical fitting clause as defined in Rule 24 are strictly prohibited.
- o. **AEROSOLS, PRESSURIZED CANS: No aerosol cans of any sort will be allowed inside the Five Points Arena under any circumstances. Anyone using them will be excused from the Arena and sent back to the barn.**
- p. **BLOCKING CHUTES and Trimming Stands:** – All 4-H/FFA blocking chutes and trimming stands are required to have a permit. Permits should be purchased at the time of pre-entry but may also be purchased at the Livestock Check-In Trailer.
- q. **DRESS CODE:** When showing animals, exhibitors must wear the official State Fair FFA or 4-H T-shirt. Blue jeans are appropriate. Hats shall not be worn in the show ring.
- r. **RIGHT TO EXCUSE:** The superintendent of the area and/or the show management has the right to excuse any exhibit from the Nebraska State Fair if the exhibit is not a quality exhibit.
- s. **4-H and FFA NEBRASKA STATE FAIR DRUG RESIDUE, DRUG TESTING AND SHOW ETHICS POLICY:**
 - i. All livestock exhibitors must submit a signed ethics affidavit and statement of disclosure to the show superintendent for each species they are exhibiting at the time of check in. This form shall serve as an acknowledgement of having read the fair/premium book and a willingness to abide by it. By submitting and signing the Nebraska State Fair 4-H/FFA Livestock Ethics Form and Statement of Disclosure, the exhibitor and parent/guardian certify that the entry has not been administered or that the exhibitor and/or parent/guardian do not have knowledge that this entry has received any substance not approved by the Food and Drug Administration (FDA) and/or the U. S. Department of Agriculture (USDA) for food animals. Furthermore, by signing these forms, the exhibitor and parent/guardian certify that this entry is free and clear of drug and chemical residue that exceeds allowable limits set by the Food and

Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for class and species of animals.

- ii. Any medication administered prior to the Nebraska State Fair should be disclosed on the Nebraska State Fair 4-H/FFA Livestock Show Ethics Form and Statement of Disclosure and submitted during check-in.
- iii. If an exhibitor chooses or needs to administer medication to an animal prior to the Nebraska State Fair, read all product labels closely to ensure that the medication does not contain an ingredient that could be considered to give the animal a competitive advantage. The exhibitor is further cautioned that it often takes longer than the labeled withdrawal time for complete elimination of drug residue from an animal's system.
- iv. All animals must arrive and remain at the State Fairgrounds free and clear of any violative drug and chemical residues. If an animal requires emergency treatment while on the State Fairgrounds, only the Official State Fair Veterinarian will be allowed to administer any drug, chemical or feed additive to that sick animal. Animals which are administered treatments having a reported withdrawal and/or elimination time period beyond the show date will be ineligible from competition. Furthermore, the Official State Fair Veterinarian, in agreement with State Fair Management, reserves the right to treat any animal if, in the opinion of the Official State Fair Veterinarian it is in the best interest of the animal's health and well-being. If the Official State Fair Veterinarian administers treatment to an animal, using any medication that does not meet the appropriate withdrawal and/or elimination time, that animal shall be determined ineligible for competition. Any exhibitor violating this rule will be subject to sanctions by the Nebraska State Fair.
- v. The Nebraska State Fair has the right to examine and/or test any animal (deceased or living), feed, liquids, or equipment at any time. The Nebraska State Fair may sample an animal's blood, urine, milk, saliva, hair and/or tissue. Any samples taken for testing become the property of the Nebraska State Fair. Samples may be collected, stored and tested in any manner the Nebraska State Fair Board deems appropriate. Positive test results may be made public.
- vi. The Nebraska State Fair may impound any animal for testing. Refusing such tests shall be cause for disqualification. Any animal tested at the Nebraska State Fair is subject to being detained at the expense of the exhibitor until the Nebraska State Fair receives final test results.
- vii. The Nebraska State Fair may test any 4-H or FFA market animal DNA sample collected at the Nebraska State Fair against the DNA submitted by the exhibitor as part of the 4-H/FFA state fair animal nomination process. It is a violation if a DNA sample collected at the Nebraska State Fair does not match the DNA sample submitted by the exhibitor as part of the animal nomination process. The Nebraska State Fair will run a sample collected at the fair by the request and expense of the exhibitor against all animals submitted by that exhibitor during the nomination in the event of a mislabeled DNA envelope.
- viii. All 4-H and FFA Grand and Reserve Grand Champion beef, lamb, goat and swine market animals will be tested for prohibited substances. Testing will be done immediately following the Final Selection of each species. Each exhibitor's cooperation is required. All animals tested will be harvested and held until all testing has been completed. ALL OTHER MARKET ANIMALS WILL BE SUBJECT TO RANDOM TESTING. Random tested animals will not be harvested but will be subject to all sanctions including, but not limited to disqualification, forfeiture of all monies, assessment of carcass disposal fees and may be barred from future participation at the Nebraska State Fair.

- ix. The animal owner, exhibitor, fitter, trainer and associated participant bear absolute responsibility for an animal's condition, whether or not he or she was actually instrumental in or had actual knowledge of the administration of drugs or medication or treatment of the animal.
- x. Exhibitor compliance with all applicable rules and regulations is essential to the integrity of the State Fair and its shows, programs, and exhibitions. Violation of any applicable rule or regulation may result in exhibitor sanctions.
- xi. Violations:
 1. Drug Administration: It is a violation if any medication or drug is administered to an animal after it has arrived on the State Fairgrounds without the supervision of the Official State Fair Veterinarian.
 2. Non-FDA-Approved Drugs: It is a violation if a market animal tests "positive" (not a quantitative test) for any drug that has not been approved by the Food and Drug Administration for such type of animal. (There are certain feed additives that are approved for certain species but not for others, i.e. optiflex and paylean). However, it shall not be a violation of this subsection if the exhibitor disclosed the drug specifically as follows: the exhibitor provides to the Nebraska State Fair, at check-in, the Nebraska State Fair Livestock Ethics Form and Statement of Disclosure along with prescription completed by the veterinarian that properly prescribed the non-FDA-approved drug for the animal. It shall also not be a violation of this subsection if the State Fair Veterinarian prescribes a non-FDA-approved drug for an animal during the Nebraska State Fair and provides that documentation to show management. If the prescribed drug has a withdrawal time that would not be met, however, that animal would not be eligible to show. Please be aware that federal law prohibits the use of certain drugs, families of drugs, and substances for extra label animal uses. Therefore, notwithstanding the above, it is a violation, with an increased penalty, if a market animal tests "positive" (not quantitative test) for any of these prohibited drugs or drug families. Please refer to one of the following website for clarification: <https://www.accessdata.fda.gov/scripts/cdrh/cfdocs/cfcfr/cfrsearch.cfm?fr=530.41>
 3. FDA Approved Drugs (Tolerance): It is a violation if a test result indicates the presence of an approved drug, additive, or contaminant that exceeds a residue limit (tolerance) set by the FDA and applied by the FSIS.
 4. Competitive Advantage (All Animals): It is a violation if a test indicates the presence of a substance, practice or other adulterant that could give an animal a competitive advantage. Competitive advantage substances include, but are not limited to steroids, diuretics, anti-inflammatories, tranquilizers, and pain killers.
 5. Unethical Fitting and Grooming Practices: It is violation if an animal evidences air pumping or the presence of inappropriate substances to alter conformation. Similarly, it is a violation to use artificial colors or dyes meant to misrepresent breed characteristics or enhance animal conformation. Methods such as stomach pumping to induce artificial fill, performing surgical and/or non-surgical procedures to alter the animals's configuration or the natural conformation of any part of the animal's body, excessive needle marks, or unethical fitting are grounds for disqualification. The following generally accepted management practices are allowed: hoof trimming, dehorning, removal of hair,

castration, branding, tattooing, ear notching, drenching, and docking of tails.

6. Falsification of Entries or Records: It is a violation to falsify or alter official entries, records or registration of animals.
 7. Unsportsmanlike Conduct: It is a violation for an owner, exhibitor, fitter, trainer and associated participant to act in any way that is outright discourteous or disrespectful to other exhibitors, judges, fair personnel or fair visitors, or to deliberately place or cause to be placed any animals or other person in a potentially harmful or disadvantageous position.
 8. Approaching a Judge: It is a violation for any individual, except Nebraska State Fair personnel to approach a judge during a show.
- xii. Sanctions: In the event of a violation, the exhibitor may be subject to the sanctions including, but not limited to the following:
1. Disqualification of the animal.
 2. Forfeiture of all monetary awards including premium proceeds associated with the exhibitor for the current State Fair. The exhibitor also forfeits rights to any product resulting there from.
 3. Return of all trophies and non-monetary awards associated with the exhibitor for the current State Fair.
 4. Forfeiture of all titles associated with the exhibitor for the current State Fair.
 5. A ban from competing in any competitive event at the Nebraska State Fair in future years.
