#### **Independent Auditor's Report**

Board of Directors Nebraska State Fair Board Grand Island, Nebraska

We have audited the accompanying financial statements of the Nebraska State Fair Board, as of and for the years ended December 31, 2019 and 2018, and the related notes to the financial statements, which collectively comprise the Nebraska State Fair Board's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Nebraska State Fair Board as of December 31, 2019 and 2018, and the changes in financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by this missing information.

#### Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Nebraska State Fair Board's basic financial statements. The schedules of fair operations as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules of fair operations are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Note 1: Nature of Operations and Summary of Significant Accounting Policies

#### **Nature of Operations**

Nebraska State Fair Board (the Board) is a not-for-profit corporation created by the State of Nebraska for the purpose of deliberating and consulting as to the needs and conditions of agricultural interests throughout the State of Nebraska. The Board supervises the State Fair located in Grand Island, Nebraska.

#### Basis of Accounting and Presentation

The Board prepares its financial statements as a business-type activity in conformity with applicable pronouncements of the Governmental Accounting Standards Board (GASB). The financial statements of the Board have been prepared on the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities from exchange and exchange-like transactions are recognized when the exchange transaction takes place, while those from government-mandated nonexchange transactions (principally intergovernmental revenues) are recognized when all applicable eligibility requirements are met. Operating revenues and expenses include exchange transactions. Government-mandated nonexchange transactions that are not program specific (such as intergovernmental revenues), investment income and contributions are included in nonoperating revenues and expenses. The Board first applies restricted net position when an expense or outlay is incurred for purposes for which both restricted and unrestricted net position is available.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses and other changes in net position during the reporting period. Actual results could differ from those estimates.

#### Receivables

Accounts receivable consist primarily of amounts due from operations and reimbursements from the Nebraska State Fair Park Foundation. Receivable – intergovernmental represents quarterly lottery proceeds due to the Board from the Nebraska State Lottery. No allowance is recorded as management believes all amounts are collectible.

## Note 1: Nature of Operations and Summary of Significant Accounting Policies Continued

#### Capital Assets

Capital assets are reported at original cost. Donated capital assets are valued at their acquisition value at the date donated. Leasehold improvements consist of amounts paid by the Board for construction of the fair facilities in Grand Island. Depreciation is computed using the straight-line method over the following estimated useful lives of the assets:

Buildings and leasehold improvements 3-50 years Equipment 3-10 years

#### Unearned Revenue

Unearned revenue consists of prepaid ticket sales, in-kind revenue being recognized over the term of the agreement and sponsorship revenue being recognized over the term of the agreement. There was \$150,937 and \$207,187 of sponsorship revenue remaining at December 31, 2019 and 2018, respectively, which is to be recognized between 2020 and 2023.

#### **Net Position**

Net position of the Board is classified into three components. Net investment in capital assets consists of capital assets net of accumulated depreciation and reduced by the outstanding balances of borrowings used to finance the purchase or construction of those assets. Restricted net position is made up of noncapital assets that must be used for a particular purpose, as specified by creditors, grantors or donors external to the Board. The Board has no components of net position that meet the restricted definition at December 31, 2019 and 2018. Unrestricted net position is the remaining net position that does not meet the definition of net investment in capital assets or restricted net position.

#### In-kind Revenues and Expenses

The Board receives in-kind contributions of services and assets from various donors. It is the policy of the Board to record the estimated fair value of certain in-kind donations as an expense in its financial statements, and similarly increase revenue by a like amount for exchange and exchange-like transactions. For the years ended December 31, 2019 and 2018, \$445,550 and \$215,350, respectively, was received as in-kind contributions and recognized as noncash sponsorships and capital contributions. For the years ended December 31, 2019 and 2018, \$445,550 and \$205,350, respectively, was recognized as expenses.

# Notes to Financial Statements December 31, 2019 and 2018

## Note 1: Nature of Operations and Summary of Significant Accounting Policies Continued

#### Compensated Absences

Board policies permit most employees to accumulate managed time off (MTO) that may be realized as paid time off. Expense and the related liability are recognized as MTO benefits are earned. Compensated absence liabilities are computed using the regular pay and termination pay rates in effect at the balance sheet date.

#### Revenue Recognition

Revenues are derived primarily from admissions to the State Fair, rental of facilities and related activities and intergovernmental sources. Revenues from the State Fair are recognized when earned. Revenues from intergovernmental sources are recognized when all eligibility requirements have been met.

#### Classification of Revenues

The Board has classified its revenues as either operating or nonoperating revenues according to the following criteria:

**Operating revenues** - Operating revenues include activities that have the characteristics of exchange transactions, such as (1) fair admissions and (2) facilities rental.

**Nonoperating revenues** - Nonoperating revenues include activities that have the characteristics of nonexchange transactions, such as gifts and contributions, and other revenue sources that are defined as nonoperating revenues, such as contributions, intergovernmental revenues and investment income.

#### Income Taxes

The Board is a not-for-profit corporation and is exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(5). However, the Board is subject to federal income tax on any unrelated business taxable income.

#### Taxes Collected from Customers and Remitted to Governmental Authorities

The amount of taxes presented on a gross basis in the accompanying financial statements was \$135,994 and \$149,646 for the years ended December 31, 2019 and 2018, respectively.

#### Note 2: Deposits

#### **Deposits**

Custodial credit risk is the risk that in the event of a bank failure, an entity's deposits may not be returned to it. The Board's deposit policy for custodial credit risk requires compliance with the provisions of state law.

At December 31, 2019, the Board's cash accounts exceeded federally insured limits by approximately \$274,000.

Nebraska state law does not require collateralization of deposits in excess of FDIC limits for entities other than political subdivisions.

#### Note 5: Intergovernmental Revenues

Effective January 1, 2005, the Nebraska State Constitution was amended to authorize an appropriation of 10% of the net State Lottery proceeds to the Nebraska State Fair Board, as long as the City of Grand Island matches 10% of those funds. The Board recognized revenues of \$4,551,863 and \$5,152,405 classified as intergovernmental revenue during the years ended December 31, 2019 and 2018, respectively. At December 31, 2019 and 2018, approximately \$1,064,000 and \$1,527,000, respectively, was recorded as a receivable for fourth quarter lottery activity.

#### Note 6: Related Party Transactions

As of December 31, 2018, accounts receivable included \$27,950 due from the Nebraska State Fair Park Foundation and the Grand Island Livestock Complex Authority. No amounts were owed from related parties as of December 31, 2019. These accounts receivable related to commitments for an outdoor arena and general marketing of the fairgrounds.

#### Note 7: Pension and Deferred Compensation Plans

The Board has a defined contribution pension plan for substantially all full-time employees that meets the requirements of Section 401(a) of the Internal Revenue Code and is administered by Union Bank & Trust. Employees may contribute up to 20% of their compensation each pay period. The Board may elect to make discretionary contributions. Forfeitures are distributed to participants in proportion of their compensation to total compensation. For each of the years ended December 31, 2019 and 2018, the Board made contributions of 3% of qualifying wages. In addition, the Board has a deferred compensation plan that meets the requirements of Section 457(b) of the Internal Revenue Code administered by Union Bank & Trust. Employees may contribute up to 20% of their compensation each pay period. The Board may elect to make discretionary contributions. For each of the years ended December 31, 2019 and 2018, the Board made contributions of 3% of qualifying wages. Total employer contributions to both plans were \$11,966 and \$11,460 for the years ended December 31, 2019 and 2018, respectively.

# Notes to Financial Statements December 31, 2019 and 2018

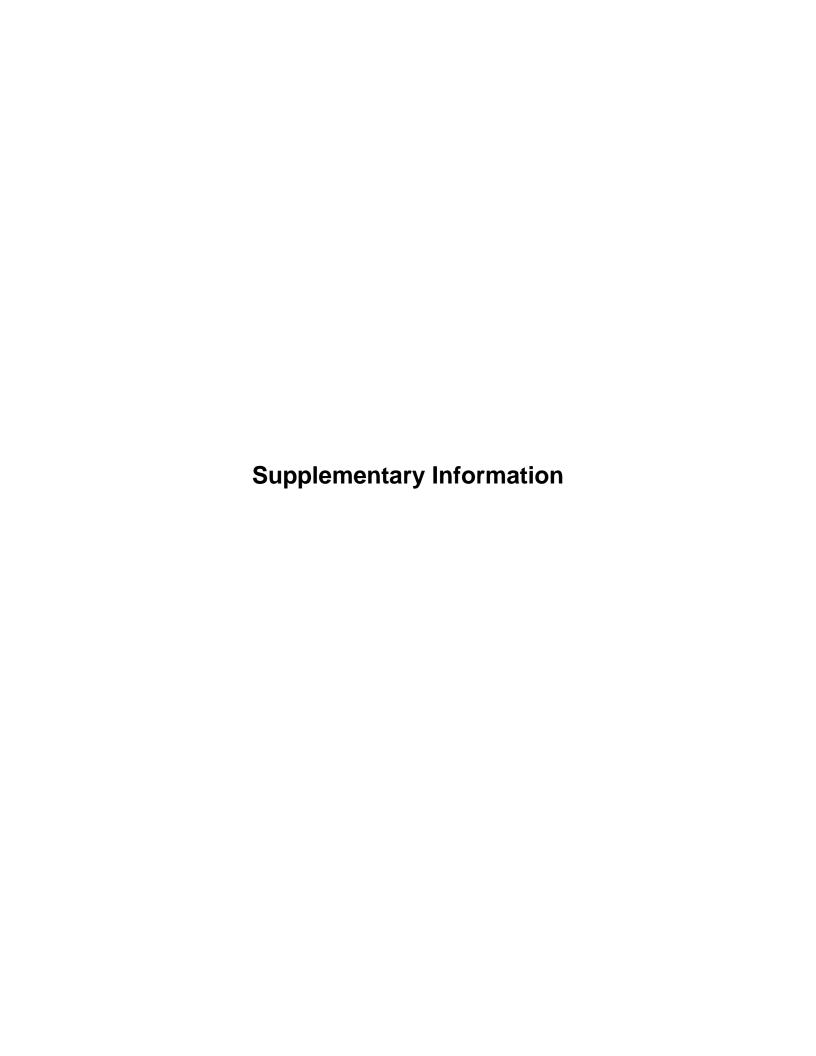

#### Note 9: Commitments and Contingencies

#### Litigation

The Board is subject to various claims and lawsuits that arise primarily in the ordinary course of its activities. It is the opinion of management that the disposition or ultimate resolution of such claims and lawsuits will not have a material adverse effect on the financial position, change in net position and cash flows of the Board. Events could occur that would change this estimate materially in the near term.

#### Note 10: Subsequent Events

As a result of the spread of the SARS-CoV-2 virus and the incidence of COVID-19, economic uncertainties have arisen which may negatively affect the financial position, results of operations and cash flows of the Nebraska State Fair Board. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
