

Request for Qualifications (RFQ)

Nebraska State Fair Rainwater Abatement and Grounds Improvement Design and Construction

RE: Request for Qualifications (RFQ) – Nebraska State Fair Rainwater Abatement and Grounds Improvement Design and Construction

Project Background/Description: The Nebraska State Fair (Grand Island, Nebraska) is seeking qualifications from firms to provide design and construction engineering services for a construction project facilitating rainwater abatement and surface improvements.

Qualification Based Selection Criteria: The Nebraska State Fair will utilize a qualifications-based selection process for this project. The evaluation criteria shall consist of a letter of interest for this project and one page outlining your team's unique capabilities and technical competence to successfully complete this project in the timeframe outlined below.

Scoring Criteria

Proposals will be reviewed, evaluated, and ranked (e.g.: 1, 2, 3) in accordance with the following selection process and procedure.

1. Qualifications of key personnel (20 points)
2. Past performance on similar projects (20 points)
3. Familiarity with the Nebraska State Fairgrounds (25 points)
4. Clarity, conciseness, and organization of proposal (10 points)
5. Approach to the project (15 points)
6. Resources of the firm to conduct and complete this project in a satisfactory manner (10 points).

Questions: Project specific inquiries will only be accepted via email to jparr@statefair.org through Thursday, December 1st, by 4:30 PM (local time).

Deadline and Delivery of Material: Completed qualifications are due to the Nebraska State Fair office no later than 12:00 P.M. (local time) on Thursday, December 15th, 2022. The Nebraska State Fair office is located at 501 E Fonner Park Rd #200, Grand Island, NE 68801 . Your response may be mailed, emailed, or hand delivered.

Sincerely,

Jaime Parr

Interim Executive Director
Nebraska State Fair
