Department Rules

It's the Exhibitor's responsibility to be familiar with the [General Rules & Regulations](#) linked here which apply to all Nebraska State Fair open class departments of Competitive Exhibits and to the specific rules for each department.

Additional Rules Specific to the Quilts Department are:

- Competition in all Quilt Department divisions is limited to items which meet the following criteria: (1) meets the definition of a quilt: a fabric sandwich made of three layers (a top, a filling, and a back) held together by thread or string that goes through all layers, (2) is a bed, throw, or wall quilt but not another type of quilted item i.e. table runners, kitchen items, pillows, and quilted wearable garments, and (3) has no sharp embellishments, surface design features or hanging devices that require special handling.
 - Opportunities for entering items which do not meet the above criteria can be found in the [2024 Textile Arts Entry Book](#), Division 5202 Sewing for the Home or Division 5208 Fiber Arts.
- Quilt department entry limits:
 - Competition Class Limits (Division 5320 and 5330): total of three quilts per exhibitor.
 - Special Contest Limits (Division 5390): Quilts must be entered in a "Competition Class" to compete in special contests. The exhibitor may enter multiple quilts in the same special contest as well as the same

quilt in multiple (but not more than three) special contests.

- Youth and senior adults can enter a quilt in either their respective age-restricted competition class or any non-age restricted competition class, but the same quilt cannot be entered in both places. The exhibitors age as of January 1st is used for age-restricted classes. Birthdate is required on the entry form only on age-restricted classes.
- All entries must have been completed within the last three years. **Quilt must be completed after September 1, 2021.**
- Competition in Division 5320 (one-person quilts) is limited to Nebraska residents only. In division 5330 (multiple-person quilts), Division 5390 (special contests) and Division 5391 (Best in County), the primary maker or majority of persons involved in making the quilt must be Nebraska resident(s), but a secondary portion (including the quilting step) may be done by a non-Nebraska resident.
- Any quilt previously entered in Division 5320 or 5330 (one-person quilts or multiple-person quilts) cannot compete again in those divisions.
- The exhibitor selects the division and class for entry. However, the superintendent or judge may move an entry to a different class to comply with the class description.
- Entry in a county fair is not a prerequisite except for the special recognition award – Division 5391 Best in County Quilts.
- A quilt made from a kit or block of the month package where the pattern and fabric components are retailed as a unit must be entered in a class specifically for kits and block of the month quilts. Purchasing a pattern and fabrics separately that is a representation of a kit is considered the same as the purchase of the kit.
- Tied quilts may be entered only in the following classes Special Type Quilts (classes 2000, 2002, 2007, 2019), Youth (classes 2080-2086), and Group Quilts by Non-Quilters (class 3070).
- All quilts must have a fabric label with the name and address of the maker(s) for identification purposes. Attach the label to the lower left corner of the backside of the quilt. Then, in order to prevent the judge from seeing the name, baste a piece of fabric over the label and anywhere else the name appears on the quilt.
- All quilts will be folded upon entry to the Nebraska State Fair.
- Quilts longer than 120 inches may not be hung due to length and weight.
- Hanging sleeves are not required on quilts.
- Include no photographs, newspaper articles, county ribbons, or other information with the exhibit.
- Removal of entries before release time is prohibited.
- **No false backs allowed.** A false back is an extra backing fabric that is added to cover the back of a quilt. It prevents the quilting stitches from being seen during the judging process.

Divisions 5391 Best in County Contest

Division 5391 contains only one class "The Best in County Contest". This is a competition between the entries of quilts that took top honor at the various Nebraska county fairs. Note that this is also the only class in the Quilt Department in which the quilt entered must have competed in a county fair prior to the Nebraska State Fair.

To qualify for the "Best in County" contest:

1. The entry must be the quilt receiving the top award at the local county fair, plus the quiltmaker must be a resident of the county submitting the entry.
2. The quilt must be entered in one of the Division 5320 or 5330 Competition Classes in the 2024 Nebraska State Fair Quilt Department and must comply with all the Nebraska State Fair Quilt Department rules including completion within the last 3 years. Also, quilted items such as table runners, placemats, quilted garments, 3-D items, and quilted items requiring special handling are in the Textile Arts Department rather than the Quilt Department.

How the contest works:

The nationally certified quilt judge initially judges all entries in the regular division 5320 and 5330 classes. That includes quilts that also qualify to compete in the Best in County Contest. After judging is completed for divisions 5320 and 5330, the quilts entered in the Best in County Contest are assembled together and the certified judge then selects the top five quilts in this contest.

All quilts entered in the Best in County Contest are hung for exhibition in Quilt Hall with other quilts of similar size. However, all Best in County entries are noted with (1) signage acknowledging them as the top county winner in their respective county fair and (2) with a distinctive Best in County ribbon. Those receiving 1st through 5th place in the contest also receive a special rosette in addition to the designated cash award. Premiums are listed on page 3 of this entry book.

To enter the "Best in County" Contest:

1. Complete the division 5391 – [Best in County Verification Form](#), which is found online or by contacting the Nebraska State Fair office (308-382-1620). This requires the signature of your county fair official. A copy of this verification form should be mailed to Terri Uden, Nebraska State Fair Quilts, 48 North Shore Dr8, Johnson Lake NE 68937 by August 6th. If the form will not reach Terri by August 6th, email the form to terriud@atcjet.net or call Terri with the information at 308-325-3017.

2. Attach a copy of the verification form to the quilt prior to delivering the exhibit to the fair.

If there is a delay in obtaining the verification form from your county official making this impossible, contact Terri Uden, Nebraska State Fair Quilt Superintendent, phone 308-325-3017 or email terriud@actjet.net.

Note that the quilt must be entered in either a division 5320 or 5330 class in the Nebraska State Fair Quilt Department by entry deadline of August 6th, and can be entered online, but the Best in County verification form does not need to be in place and on the quilt until the receiving deadline, which is August 15th, 3pm.

In the event that your county fair is held during or after the Nebraska State Fair or if the quilt entry was not entered in the Nebraska State Fair Quilt Department prior to the entry deadline of August 6th, the county winner will be eligible for recognition in the Best of County Quilt Division 5391 the following year provided the entry still meets the requirement of completion within the last three years. Also, for joint county fairs, each county may have one entry in the Best in County Division 5391.

Delivery of Exhibit: Deadline is 3pm Thursday, August 15th, to the Quilt Hall in the Pinnacle Bank Expo Center. Note that the receiving date is the same as all other quilt entries. However, the extension staff can pick up the exhibit at the end of the fair.

Exhibit may be delivered by:

- The exhibitor/another person during Quilt receiving times Wednesday, August 14th, 3-8pm and Thursday, August 15th, 8am-3pm
- Sending by mail or a deliver service with arrival no later than 3pm on Thursday, August 15th. See [Shipping Options](#).

Return of Exhibit: Early release is prohibited. Exhibits may be picked up Monday, September 2nd, 6-8pm or Tuesday, September 3rd, 8am-noon by exhibitor, another person, or extension staff. Also, see [shipping options](#) for other options for return.

Exhibits not picked up during above designated times or with no prepaid label for return shipment must be picked up from the Nebraska State Fair office by end of business day Friday, October 25th, 2024. After that they are donated to charity.
