Nebraska State Fair Space Rental Rules & Regulations January 2025

Friday, August 22nd through Monday, September 1st 2025.

Booth Policy

The Exhibitor's responsibility can be summed up very simply: "Be a good neighbor." All exhibitors regardless of booth size should be given a substantially similar opportunity to present their product or view to the public. Exhibitors serve as an important part of the Fair in celebrating and showcasing Nebraska's excellence. Our primary audience consists of families and youth.

The Nebraska State Fair expects exhibitors to enhance the promotional value, variety, and total public acceptance of the Fair.

The Nebraska State Fair reserves the right to restrict any exhibit and/or contents that contain graphic or obscene material or are otherwise objectionable to the family-oriented target audience of the Fair. The Nebraska State Fair Board has sole discretion to determine whether any content or material is graphic, obscene, or objectionable to the family-oriented target audience. The Nebraska State Fair Board has sole discretion to exclude Exhibitors/Exhibits based on quality or presentation inconsistent with the expectations set out in this policy.

Statement

The Nebraska State Fair is a public forum of limited duration and exists in part to provide a means for a great number of exhibitors to temporarily present their products or views, be they commercial, religious, or political, to a large number of people in an orderly, safe, secure and efficient fashion.

To avoid congestion prevent any impediment in the flow of fair patrons and facilitate the maintenance of orderly movement throughout the fairgrounds, anyone desiring to exhibit must apply for booth space as outlined in the Nebraska State Fair Space Rental Rules and Regulations and comply with the terms and conditions of the space rental agreement.

The exhibit shall mean activities, including, but not limited to, petitioning, proselytizing, and/or the sale, posting, or distribution of any merchandise, products, promotional items, and printed or written materials.

Sale or distribution of any merchandise, including printed or written material except under a license issued by the Nebraska State Fair and/or from a duly-licensed location is strictly prohibited.

Because of the great interest in the safety and orderly movement of large crowds and vehicular traffic flow, any activity engaging or impeding the fair-going public or interrupting the orderly flow of the fair-going public outside of an approved, licensed, and contracted booth space is strictly prohibited.

Nebraska State Fair Park's Space Rental Rules & Regulations are an attachment to, and an integral part of, Nebraska State Fair Space Rental Agreement. These Space Rental Rules & Regulations should be read and reviewed prior to signing the Space Rental Renewal or Agreement.

5.10 Lessor reserves the right to move the Lessee to a different premise than provided for on the Space Rental Renewal, or Space Rental Agreement, should it prove necessary. The lessor shall be the sole judge in determining what is necessary for the best interest of the Nebraska State Fair and the public.

5.11 At the expiration of the Agreement, the Lessee will surrender possession of said premises to the Lessor without further notice to quit and in as good repair as the same is now. Lessee shall pay the Lessor full repair or replacement cost plus labor, for all damage caused by the Lessee to the grounds, buildings, landscaping, and improvements. Site direct delivery hours are from 11:00 P.M. to 8:30 A.M. All service trucks, cars, and vans must be off public streets by 9:30 A.M. daily.

All exhibitors are responsible for making sure their shipments have been picked up by the shipping company BEFORE they leave. The Fair will not be responsible for deserted shipments that are yet to be picked up.

Drawings and Raffles

7.1 Lessees who intend to hold a sign-up drawing on the premises during the term of the Agreement must have an **approved request form for GIVEAWAYS AND DRAWING ITEMS.** (See also Rule 5.10)

7.2 The sign-up period for Lessee's drawings will be limited to the Fair term and all prizes must be awarded within 10 days of the end of the term. No further prize(s) may be offered by the Lessee, other than what is advertised at the sign-up location(s). It is also understood that no further drawing or purchase is necessary during or after the term for the public to obtain the prize(s) offered. Lessee will provide a list of winners to the Space Rental office no later than September 30th, 2025.

7.3 Raffles are not permitted except by written request to the Nebraska State Fair Executive Director, not less than 30 days before opening day. Written approval is required for all raffles. The Executive Director may approve a raffle under the following circumstances:

- (a) The raffle is conducted by a non-profit organization for its non-profit purposes.
- (b) The Executive Director believes the raffle and the proposed way it will be conducted is not inconsistent with the nature and purpose of the State Fair and will not detract from the atmosphere that patrons would reasonably expect at a State Fair.
- (c) The Executive Director, in his/her sole discretion, believes the conduct of the raffle will in some way provide a substantial benefit to the Nebraska State Fair by increasing attendance, or by providing some direct or indirect financial benefit to the State Fair. The following are by way of example how a raffle may benefit the State Fair.
 - a. Tickets will be sold exclusively at the State Fair.
 - b. Tickets for the raffle purchased at the State Fair will be reduced in price;
 - c. The prize will be awarded during the State Fair (a requirement that the winner be present would increase the benefit to the Fair);
 - d. The organization conducting the raffle will purchase a booth or provide another financial benefit to the State Fair; or
 - e. The organization conducting the raffle will provide other benefits or services to the State Fair, such as:
 - i. Volunteer services by members of the organization.
 - ii. Inclusion of advertisements for the State Fair as part of advertisements for the raffle.
 - iii. Provision of entertainment or another event by the organization that will contribute to the excitement and variety of activities of the State Fair.
- (d) If the Executive Director approves a raffle, he or she may impose one or more of the following restrictions or conditions:
 - a. Limitations on the areas within State Fair Park in which tickets may be sold;
 - b. Limitations on the price to be charged for tickets or the value of the prize to be awarded;
 - c. Any other restriction or condition to assure the raffle does not interfere with other activities of the State Fair, including the time, place, and manner in which the raffle is advertised or conducted.

This policy is limited to authorization to permit the Executive Director to approve the conduct of a raffle during the Nebraska State Fair. Nothing in this policy requires the Executive Director to authorize a raffle or, if one is authorized, to authorize additional raffles. It is the stated policy of the Nebraska State Fair Board that a limited number of raffles, under proper conditions operated by non-profit organizations, could contribute to the overall excitement and enjoyment of the State Fair but that too many raffles would detract from the nature of the Fair for its patrons. Any applicant denied permission to conduct a raffle may appeal the Executive Director's decision to the Nebraska State Fair Board. If the Executive Director is in doubt about authorizing a particular raffle, he or she may refer the matter to the State Fair Board for its decision. Any decision by the Executive Director or the Nebraska State Fair Board is final.
