### CONTEST GUIDELINES

- Displays must be built out of recycled material/s of entry's choice. Entries are encouraged to find their own recycled materials, but, if needed, the NSF can provide recycled materials. A list of provided materials by NSF are available on entry form.
- Entries are built on your own, using your own materials and decorations, setting up and displaying at your selected location.
- If NSF is providing recycled materials, they must be picked up from the Nebraska State Fair Maintenance Shop August 4th during regular business hours: 8:30am - 5:00pm. State Fair staff can assist with loading, but not with unloading.
- Displays must stand a minimum of 5' tall and be at least 5' wide.
- Displays must be secure & attached to the ground, for safety & theft reasons.
- Each display needs to be placed onto a very sturdy base/structure: Grass or pavement is preferred. **They must be sound and secure.**
- All entries must be **RAIN & WIND TOLERANT**. They need to be built to last through September 1st.
- Use of business, organization, or civic groups logo, slogan, and/or mascot will **NOT** be allowed within the design. **NO** commercial, business or political signage of **ANY KIND** is allowed.
- The Nebraska State Fair will provide signage for each entry.
- Contestants are responsible for all cleanup and disposal at their sites after September 1st. If entry is on the fairgrounds, State Fair Operations will take care of disposal.
