DIVISION 220 & 225

BREED REPRESENTATIVE:

Diane Duren – 402.367.2272

1. All cattle that will be entered and shown at the Nebraska State Fair must have their paperwork to the ASA by August 12, 2026, in order to allow the ASA to process the information and have registration certificates/numbers assigned by August 19, 2026. This deadline was adopted by the NSA Board of Directors in an effort to make the processing easier on those involved with check-in during the Nebraska State Fair. All hair samples and blood work must also be processed by August 19, 2026.
2. All animals must be recorded with the American Simmental Association and the animal must be able to be located in their online database by late entry time on August 14, 2026.
3. All animals must have legible tattoos, or they will not be allowed to show. The show committee will be responsible for checking tattoos.
4. Females from classes designated “safe in calf” must be accompanied by a veterinary certificate stating female is pregnant, or such female will not be allowed to show. Exceptions to the “safe in calf” rules will apply to females that have produced a transferable embryo in the present year verified by a written statement from the organization that performs the transplant process.
5. All classes shall be governed by the rules and regulations of the Nebraska State Fair and the Nebraska Simmental Association.
6. Classes can be split at the discretion of the Nebraska State Fair and Nebraska Simmental Association.
7. **Cash awards noted with an * are provided by the Nebraska Simmental Association.**
